Title: SECURE IDENTIFICATION SYSTEM

Second Supplemental Amendment Under 37 C.F.R. 1.111

As requested by the examiner in a phone conversation on April 29, 1999, the Applicant is submitting this second supplemental amendment.

IN THE SPECIFICATION

Page 2, line 21, after "questions.", insert the following—Among the suitable characteristics of physical appearance or traits which can be compared are, for example a fingerprint, an eye scan to determine the color of the eyes, hair coloring, weight, identifiable birth marks, the race of the individual and the like.—

REMARKS

As requested by the examiner and in furtherance of the supplemental amendment dated April 8, 1999, this second supplemental amendment is being submitted to allow for proper placement of the amendatory language within the specification. It is now contended that the application has been placed in appropriate condition for allowance and applicant hereby respectfully requests a notice to this effect.
